Ukrainian and English Speaking Trust and Safety Customer Expert

Trust and Safety Customer Experts are responsible for moderating user-generated content on our client's platform by reviewing strong graphic images, videos, and/or written content to ensure the content meets the community guidelines and to escalate any content that violates the parameters set. This role is key in providing a positive social experience for all users.

What We Offer

Compensation UP TO GROSS GEL:

- **2,970 GEL** – in the first 6 months (salary + bonus)
- **3,240 GEL** – after 6 months (salary + increased bonus)
- **1,200 GEL** sign-on bonus
- **3,000 GEL** relocation bonus – available to candidates living over 60 km from Tbilisi who plan to relocate
- **Christmas bonus:** 50% of your salary after successfully completing the probation period
- **650 GEL** life event bonus
- Other bonus schemes
- Paid health insurance for you and your family
- Paid training

Your Growth & Work-Life Balance

- Fast career growth – promotion to Senior level possible after 6 months
- Wellbeing offerings: yoga, pilates, events, and more
- Psychological support: confidential on-site consultations with professional psychologists
- Corporate benefits with partner companies
- Prime location on Chavchavadze Avenue with a modern office, chill-out & gaming zone
- Late shift transportation

What We're Looking For

- Fluent Ukrainian language skills, both spoken and written
- Good English skills

What You'll Do

- Monitor social media content (videos, comments, hashtags) to identify and remove abusive, violent, or inappropriate material
- Ensure a safe user experience across the platform
- Maintain and manage transaction data accurately
